

PASTOR ISRAEL BOOLE

# Shalom

**Pastor Israel Boole** is the founder and senior pastor of Precious Name of Jesus Christ Church (PNJCC) in San Diego, California. A passionate preacher with a deep desire to reveal the love and person of Jesus Christ, Pastor Boole has faithfully served in ministry for many years.

Born on July 3 in Loto, a village in the Loméla territory of Kasaï Oriental, DRC, Pastor Boole is the youngest child of Marie Akanjo and Boussa Boole Yimba, who passed away when Israel was only three years old. Raised by his mother in Kinshasa where he completed his primary and secondary education he overcame a turbulent youth shaped by martial arts and personal struggles. His life changed completely in 2000 when, through the ministry of Brother Blaise Kinkala, he surrendered to Christ and was baptized at ECB Church. He then grew and served within the Ministère Chrétien du Combat Spirituel (MCCS) under Papa and Maman Olangi, receiving intensive training in spiritual warfare.

In 2012, Pastor Boole moved to South Africa, where his ministry deepened under the mentorship of Pastor Sebastian Mwanza and Pastor Alain Lelo. In 2019, following a divine vision, God led him to California, USA, where he was consecrated and publicly ordained by Pastor Benny Hinn on October 3, 2019. He later founded Precious Name of Jesus Christ Church in 2020, where he continues to serve as visionary and senior pastor.

Pastor Boole's life reflects resilience, faith, and gratitude especially toward his mother, whose strength and devotion shaped his character and calling. He often draws from his personal testimony to inspire others to pursue God wholeheartedly.

Alongside ministry, Pastor Boole is academically accomplished and continually growing. His educational background includes:

- Electrical Engineering (Engineer)
- Entrepreneur
- Diploma in the School of Ministry
- Christian Counselor
- Master's student in Biblical Studies at Regent University, USA

A generous, compassionate leader, Pastor Israel Boole is committed to serving people, building strong families, and impacting communities with the gospel of Jesus Christ.

# MINISTRY LOGISTICS

---
